LEARNING ACTIVITIES AND METHODOLOGY

The course is divided in a theoretical and a practical part. The theoretical part refers to the cinematographic language and the historic evolution of the cinema, emphasizing the history of Spanish film in its historical context. The practical part includes the viewing of film clips (or short films), analysis and debate. The students must write a weekly essay on any topic related to a studied period or analyzed film.

ASSESSMENT SYSTEM

- 25% Papers
- 25% Class participation
- 25% Oral presentation of some papers
- 25% Exam of theoretical content

Of the final mark the unexcused absences will be deducted :

1st unexcused absence : -0.3

2nd unexcused absence : -0.5

3rd unexcused absence ; suspense in the subject.

Class attendance is required of all students, including the last day of class. Any excused absence must be forwarded and decided by the UC3M International School. Absences without justification have the following automatic effect on the final grade.
