LEARNING ACTIVITIES AND METHODOLOGY

Every week students will have two classes, one and a half theory lecture to provide knowledge skills, and one and a half practice class where students can acquire additional skills and attitudes through projects, exercises and case discussions, both individually and in groups.

The students will have teaching materials prepared specifically for the subject that can be complemented with the bibliography.

ASSESSMENT SYSTEM

The final grade of this subject is the average between the continuous assessment grade (the assessment of work continuously developed during the course), and the grade of a final multiple-choice exam (each part counts for the 50% of the final grade). To pass the subject you need to get at least 5

points out of 10 in the final grade.

The continuous assessment grade is based on the following tasks:

(i) Assignments, cases and/or mid-term exams (20% of the course grade).

(ii) Marketing Research project (30% of the course grade): It is a team work made during the semester.

(RECALL THAT IF YOU FAIL THE SUBJECT ON YOUR FIRST ATTEMPT, THERE IS THE POSSIBILITY TO RETAKE AN EXAM, then the final grade is the maximum between the retake exam mark, and the weighted average of the retake grade and the continuous assessment grade.)

% end-of-term-examination: 50

% of continuous assessment (assignments, laboratory, practicals...): 50
