ASSESSMENT SYSTEM

The definitive mark to be obtained by the student shall take into account the mark obtained during the term in the practical compulsory sessions (up to a 40%), as well as the mark obtained in the final exam (up to a 60%). To mark the practical part, the following matters shall be evaluated: lesson workshop, evaluation test and final practical case. With regard to the mark of the theoretical part, the only thing to be taken into account shall be the qualification obtained in the exam at the end of the semester. Such exam shall consist of theoretical and practical questions, which will represent one 60% of the grade of the course.

To add the score obtained in the two forms of evaluation (continuous and final) it will be necessary to obtain a minimum of 3 points out of 6 in the final exam.

% end-of-term-examination:	60
% of continuous assessment (assignments, laboratory, practicals...):	40
