- Public Administration Law.

OBJECTIVES

This subject provides students with a general knowledge of the institutions and legal techniques of public employment in Spain to allow them to develop future professional work and / or academic and public administrations. The student will acquire theoretical and practical knowledge (practical sessions individually and in groups).

DESCRIPTION OF CONTENTS: PROGRAMME

LESSON 1. The Public Function and Public employment: Background and Legal Framework

LESSON 2. Classes of public employees (I)

LESSON 3. Classes of public employees (II)

LESSON 4. Access to public employment

LESSON 5. The administrative career of public employees

LESSON 6. Administrative situations and extinction of the service relationship

LESSON 7. Rights and obligations of Public Officials (I)

LESSON 8. Rights and obligations of Public Officials (II)

LESSON 9. Disciplinary Regime

LEARNING ACTIVITIES AND METHODOLOGY

This subject is entirely a system of continuous evaluation in which no theoretical examination of contents. The teaching methodology is composed of lectures and activities (case studies, workshops...)

ASSESSMENT SYSTEM

The continuous evaluation system is adjusted at the total effect of the work done by the student individually and collectively as well as attendance and participation in lectures. NO FINAL EXAM.

Exceptionally, non overcoming continuous assessment would require the completion of a theoretical examination in ordinary call or in resit.

% end-of-term-examination:	0
% of continuous assessment (assignments, laboratory, practicals...):	100
