## LEARNING ACTIVITIES AND METHODOLOGY

Theoretical classes for acquisition of competences related to the knowledge of the fundamental elements that constitute the culture and society.

The individual practices will take place in the classroom and during the class. Throughout the semester there will be a group work that should have approximately 15 pages. This work must be presented orally at the end of the semester.

## ASSESSMENT SYSTEM

<b>% end-of-term-examination/test:</b>	0
<b>% of continuous assessment (assignments, laboratory, practicals...):</b>	100

The whole set of assignments, presentations and work done throughout the semester will mean 100% of the grade, so that the continuous assessment will be rated between 0 and 10 points.

However, students who cannot attend lectures may take a final exam, on the date indicated in the official calendar, which will be rated between 0 and 10 points.
