### LEARNING ACTIVITIES AND METHODOLOGY

The module is taught through lectures, primarily by leading practitioners specialising in the applications of competition law and regulation to particular sectors. The lectures are supplemented by specialist seminars delivered by economists and lawyers, each of whom provides an alternative perspective on the problems already covered in the lectures.

### ASSESSMENT SYSTEM

The class involves inter-active discussions, teamwork and assessed (pass/fail) student presentation (with video of it), and will be assessed through a 10-12,000 word essay.

<b>% end-of-term-examination:</b>	60
<b>% of continuous assessment (assignments, laboratory, practicals...):</b>	40
