- Class 5: Values, attitudes and ethics
- Class 6: Motivation in organizations
- Class 7: Group dynamics and teamwork
- Class 8: Leadership: traits and styles
- Class 9: Communication
- Class 10: OB across cultures.

LEARNING ACTIVITIES AND METHODOLOGY

The classes of this course will be taught fully online during the year 2020-2021.

- Classes will take place in two 1.5-hour weekly sessions, which will be taught in a row with a 15-minute break between them.
- Additionally, each week an additional review hour will be scheduled to help assimilate the concepts to those students who have not been able to attend classes.
- Each class will consist of the discussion of the study of a case that must be prepared in advance, and the review of a series of associated concepts.
- The students will have to prepare the discussions of the cases in class, participate in them, and deliver reports related to the discussion of those cases.

ASSESSMENT SYSTEM

% end-of-term-examination/test:	40
% of continuous assessment (assignments, laboratory, practicals...):	60

40% Final exam

60% continuous evaluation, which includes:

- Participation in class discussion of scheduled case studies: 25%
- Delivery of written reports related to scheduled case studies: 25%
- Participation in activities proposed in class by the professor, and other specific interventions: 10%
