

Academic Year: (2021 / 2022)

Review date: 28-06-2021

Department assigned to the subject: Communication and Media Studies Department

Coordinating teacher: MEJON MIRANDA, ANA MARIA

Type: Compulsory ECTS Credits : 3.0

Year : 1 Semester : 1

OBJECTIVES

- To possess and understand key knowledge to be able to be original in the development and application of ideas, often within a research context.
- Capacity to apply knowledge and solve problems in new environments within wider contexts (or multidisciplinary) related to the area of study.
- Capacity to integrate knowledge and confront the complexity of judgments taking limited or incomplete information as a point of departure, including reflections on social and ethical responsibilities, linked to the acquisition of knowledge and judgment.
- Capacity to learn in order to keep studying in an autonomous fashion.
- Screenplay development including executive production.
- Direct and translation of screenplays into film and television images
- Identify, select and develop proposals for film and television projects.
- Create and explain audiovisual projects in pitching sessions.
- Knowledge of the key tools of screenwriting for the development of film and television fiction.
- Plan screenplays and mise-en-scene: basic notions on directing actors.
- Plan and organize shooting plans.
- Supervise and manage the postproduction and finalization processes.
