Coordinating teacher: ELVIRA PERALES, ASCENSION

Type: Compulsory ECTS Credits : 6.0

Year : 3 Semester : 1

**OBJECTIVES**

Students should acquire a reasonable level of knowledge regarding:

- a) the general outlook of the Spanish fundamental rights and public liberties, and its guarantee system
- b) some particular rights and liberties, in particular those related with public order

**DESCRIPTION OF CONTENTS: PROGRAMME****GENERAL CONCEPTS AND GUARANTEES SYSTEM**

1st Lesson: Fundamental Rights in the Spanish Constitution

2nd Lesson: Guarantees system

3rd Lesson: Suspension of rights and freedoms

**FUNDAMENTAL RIGHTS ANALYSIS**

4th Lesson: Equality and non discrimination

5th Lesson: Right to life and integrity; freedom of thought, conscience and religion; right to respect of private life, in particular, inviolability of the home and secrecy of communications

6th Lesson: Right to liberty and security; freedom of movement and of residence

7th Lesson: Freedom of assembly and of association

8th Lesson: Social rights

**LEARNING ACTIVITIES AND METHODOLOGY**

The program of this course will be developed in lectures and they will be held in large group sessions.

Periodical controls about the subject matter developed in the semester will also be carried out.

**ASSESSMENT SYSTEM**

In order to assess students' knowledge it will be taken into account:

- a) The works and activities developed in class during the semester (40% of the total final mark)
  - b) A supplementary examination or final exam that will take place at the end of the semester (60% of the final mark).
- Eventually, the continuous assessment could be enough in order to complete the final mark.

In addition, the teacher will take into account the participation and attitude of the students in class to set the final grade (always with a positive character).

**% end-of-term-examination:** 60

**% of continuous assessment (assignments, laboratory, practicals...):** 40
