#### LEARNING ACTIVITIES AND METHODOLOGY

The classes of this course will be taught fully online during the year 2020-2021.

- Classes will take place in two 1.5-hour weekly sessions, which will be taught in a row with a 15-minute break between them.
- Additionally, each week an additional review hour will be scheduled to help assimilate the concepts to those students who have not been able to attend classes.

- Each class will consist of the discussion of the study of a case that must be prepared in advance, and the review of a series of associated concepts.
- The students will have to prepare the discussions of the cases in class, participate in them, and deliver reports related to the discussion of those cases.

#### ASSESSMENT SYSTEM

50% Final exam

50% continuous evaluation, which includes:

- Participation in class discussion of scheduled case studies: 20%
- Delivery of written reports related to scheduled case studies: 25%
- Participation in activities proposed in class by the professor, and other specific interventions: 5%

% end-of-term-examination: 50

% of continuous assessment (assignments, laboratory, practicals...): 50
