

Basic Accounting

Academic Year: (2022 / 2023)

Review date: 19-04-2022

Department assigned to the subject: Public State Law Department

Coordinating teacher: BAEZ MORENO, ANDRES

Type: Additional training ECTS Credits : 3.0

Year : 1 Semester : 1

REQUIREMENTS (SUBJECTS THAT ARE ASSUMED TO BE KNOWN)

Students who have studied law or double degrees, one of which is law, must take the subject of basic accounting

OBJECTIVES

LEARNING OUTCOMES THAT THE STUDENT ACQUIRES

Typically, the accounting and financial knowledge of students in careers related exclusively to the legal field is often insufficient for in-depth analysis of certain tax figures that require a solid understanding in such areas.

For this reason, we believe it is appropriate that the first subjects to be taught in the Master's are subjects related to accounting and finance issues to ensure solid learning that results in a sufficient knowledge base to address the course.

DESCRIPTION OF CONTENTS: PROGRAMME

Accounting Law. Accounting functions.
 Accounting books and accounting duties.
 Conceptual Framework and Accounting Principles.
 Conceptual Framework and Accounting Principles. Cases.

 Introduction to auditing.

LEARNING ACTIVITIES AND METHODOLOGY

1. Critical reading of texts recommended by the subject teacher
2. Solving case studies, problems, etc. raised by the teacher individually or in a group
3. Presentation and discussion in class, under the moderation of the teacher, of topics related to the content of the subject, as well as practical cases

ASSESSMENT SYSTEM

% end-of-term-examination:	60
% of continuous assessment (assignments, laboratory, practicals...):	40
Continuous evaluation (class participation, assignments and others)	40%
Final exam	60%

% end-of-term-examination:	60
% of continuous assessment (assignments, laboratory, practicals...):	40

The format of continuous evaluation will be set by the coordinator at the beginning of the course. In case the continuous evaluation is carried out through case deliveries made in groups, it is required that every student obtains at least a grade of 4 out of 10 in the final exam of the course. If this requirement is not met, the maximum grade for the course as a whole will be 4 out of 10.

These rules also apply to the extraordinary exams.
