Review date: 19/05/2022 13:56:31

Department assigned to the subject: Public State Law Department

Coordinating teacher: GONZALEZ-CUELLAR SERRANO, MARIA LUISA

Type: Additional training ECTS Credits : 3.0

Year : 1 Semester : 1

REQUIREMENTS (SUBJECTS THAT ARE ASSUMED TO BE KNOWN)

Students who took the Degrees in Economics, ADE or Business, must complete the course "Basic Aspects of Tax Law and Commercial Law"

OBJECTIVES

LEARNING RESULTS THAT STUDENT ACQUIRES

Normally, students from economic and business careers lack a sufficient legal basis to address issues of some complexity in the field.

For this reason, we understand it appropriate that the first subjects to be taught in the master's degree are subjects related to legal issues of tax and commercial law to ensure a solid learning that has a sufficient knowledge base for to address the course.

DESCRIPTION OF CONTENTS: PROGRAMME

Item 1.- Public property benefits: different categories and differences with respect to taxes. The constitutional and legal concept of taxation. Tax classes. The tax system: main figures that make up it. State tax system. Tax system of the Autonomous Communities. Local tax system: special reference to municipal taxes.

Item 2.- The distribution of tax power and the regulatory system of tax law: special reference to the Law on Budgets and the Decree Law. The constitutional principles of taxes: reserve of law on tax matters, meaning and implications.

Item 3.- The constitutional principles of taxes: economic capacity, equality, progressiveness and no confiscatory. Other constitutional principles and their application to tax matters: legal certainty and limits on retroactivity in tax matters, inviolability of domicile and other fundamental rights with tax projection.
