Type: Electives ECTS Credits : 3.0

Year : Semester :

**REQUIREMENTS (SUBJECTS THAT ARE ASSUMED TO BE KNOWN)**

Commercial Law  
Private International Law. General Part

**OBJECTIVES**

Obtain an overview of the principles and elements that make up this sector of international legal traffic, through an analysis of its main instruments applied to practical cases

**DESCRIPTION OF CONTENTS: PROGRAMME**

- Item 1: Uniform Right of International Trade: introduction
- Item 2: Uniform Law of international contracting: general instruments. The Rome I Regulation
- Item 3: International Sale of Goods: Vienna Convention
- Item 4: International Sale of Goods: Incoterms
- Item 5: International Transport of Goods Contracts
- Item 6: Uniform International Guarantees
- Item 7: International financing means. Documentary credits.

**LEARNING ACTIVITIES AND METHODOLOGY**

The master classes (conceptual) will be appropriately combined with the realization of practices that allow students to make contact with the real problems of the sector. The magisterial sessions, in any case, will tend to be integrated within the framework of a methodological reflection of a Socratic nature, in which the students will be asked to contribute actively to the identification of the principles and rules of the discipline.

**ASSESSMENT SYSTEM**

The degree of understanding of the concepts of the discipline in its application to practical cases will be evaluated. The grade will be obtained based on the results of a final test (written exam) to be held on the corresponding date (60%) consisting of problem solving and in which students can use the bibliographic and legislative materials they deem appropriate. . It will also evaluate the assistance (10%) and active and reasoned participation of the student in the practical sessions (10%), as well as the resolution of a practical case (written) that will be resolved in the last practical session (20%) .

<b>% end-of-term-examination:</b>	60
<b>% of continuous assessment (assignments, laboratory, practicals...):</b>	40
