## ASSESSMENT SYSTEM

<b>% end-of-term-examination/test:</b>	0
<b>% of continuous assessment (assignments, laboratory, practicals...):</b>	100

The degree of understanding of the concepts of the discipline will be evaluated, as well as their practical application, through a 100% continuous assessment system.

Students will be graded based on the results of the assessment of a final case that students must complete and submit in writing, reflecting the skills acquired in the subject (40%). Their performance will also be evaluated through the delivery and presentation of practical cases or comments on sentences (30%), of the different subjects taught; as well as their attendance and participation in the master classes and practices (30%).

- 40% Delivery of a final practical case.
- 30% Delivery of practical cases or judgment comments on the different topics
- 30% Attendance and participation in master classes and practices
