

Academic Year: (2022 / 2023)

Review date: 16-03-2021

Department assigned to the subject: Physics Department

Coordinating teacher:

Type: Master Final Project ECTS Credits : 30.0

Year : 2 Semester : 0

DESCRIPTION OF CONTENTS: PROGRAMME

The student will have to complete successfully an individual, but guided, project in the general area of Plasma Physics, Plasma Technology or Nuclear Fusion. The resulting work should show clearly that the student has achieved a sufficient degree of maturity, technical and scientific knowledge and skills. The student will have to present and defend the project in front of a committee that will be able to question the student about any aspect of the project.
