

Polymer Engineering

Academic Year: (2023 / 2024)

Review date: 09-06-2015

Department assigned to the subject: Materials Science and Engineering and Chemical Engineering Department

Coordinating teacher: BRAVO DE PEDRO, JULIO

Type: Electives ECTS Credits : 6.0

Year : 4 Semester : 1

% end-of-term-examination:	60
----------------------------	----

% of continuous assessment (assignments, laboratory, practicals...):	40
--	----
