Teaching Methodology

This course consists of lectures and a number of activities which will be carried out by the students. In general, classes are designed in a manner to promote students' active participation and critical thinking. Therefore, it is essential that they come to class prepared to discuss the readings assigned for that particular session. It is highly recommended to keep up-to-date about ongoing events about geopolitics of Africa and the Middle East.

Tutorials will be carried out through the procedures established by the university.

ASSESSMENT SYSTEM

Final paper: 30%.
Exercises, presentations, debates, tests, etc.: 60%
Participation: 10%

Extraordinary call:

The grade will be based on an individual original research essay on a topic agreed upon with the Professors of the course.

% end-of-term-examination:	30
% of continuous assessment (assignments, laboratory, practicals...):	70
