DESCRIPTION OF CONTENTS: PROGRAMME

Contents leading to the acquisition of knowledge in:

1. Administrative Law and Public Administration; origin, evolution and concept
2. The legal personality of the Administration.
3. The sources of Administrative Law; the rules
4. The administrative organization; the administrative organ.
5. The classes of administrative activity.

LEARNING ACTIVITIES AND METHODOLOGY

Academic activities are divided into Master Lessons and Practice Sessions.

1. Master classes in which the general lines of the subject matter of the corresponding subject will be exposed.
2. Practical sessions in which specific activities are developed through which a practical vision of the content of the topics will be offered. The activities to be carried out will consist of solving practical exercises, as well as, where appropriate, other control activities such as tests to check the level of knowledge on the topics. These activities will be duly announced in the Global or Virtual Classroom.

Each of these sessions will take place according to the schedule approved by the CUGC.

The tutorials will be held at the time and under the conditions determined by the teacher in the Global or Virtual Classroom.

ASSESSMENT SYSTEM

% end-of-term-examination:	60
% of continuous assessment (assignments, laboratory, practicals...):	40

Ordinary evaluation:

The overall assessment of the subject will be carried out from the weighting of the grades obtained in the final exam and the continuous assessment activities.

The activities not carried out will be scored with zero (0). Students who do not show up to take the exam will be graded as no show.

Extraordinary evaluation:

In the extraordinary evaluation there will be a final exam. Students who do not take the final exam in the extraordinary call, will be classified as not presented.
