

Academic Year: (2024 / 2025)

Review date: 23-05-2022

Department assigned to the subject: Criminal Law, Procedural Law and History Law Department

Coordinating teacher: GARCIA SEDANO, TANIA

Type: Electives ECTS Credits : 4.0

Year : 1 Semester : 2

REQUIREMENTS (SUBJECTS THAT ARE ASSUMED TO BE KNOWN)

Criminal law

OBJECTIVES

Basic skills:

CB6 Possess and understand knowledge that provides a basis or opportunity to be original in the development and / or application of ideas, often in a research context

CB7 That students know how to apply the knowledge acquired and their ability to solve problems in new or unfamiliar environments within broader (or multidisciplinary) contexts related to their area of study

CB8 That students are able to integrate knowledge and face the complexity of formulating judgments based on information that, being incomplete or limited, includes reflections on social and ethical responsibilities linked to the application of their knowledge and judgments

CB9 That the students know to communicate their conclusions and the knowledge and last reasons that sustain them to specialized and non-specialized public in a clear and unambiguous way

CB10 That students have the learning skills that allow them to continue studying in a way that will be largely self-directed or autonomous.

General Competences

CG1 Ability to advise public and private social actors in the application of legal norms, trying to warn about the production of conflicts before they have occurred

CG3 Ability to solve complex legal problems within Public Law

CG2 Ability to identify legal questions by acquiring advanced, specialized and multidisciplinary training

CG6 Ability to develop a work both in a team and independently in an international and multidisciplinary context.

CG7 Ability to understand the interrelation between scientific research and the development of legal institutions

CG8 Ability to handle with ease the various legal sources and the relationships between them

CG9 Ability to approach legal problems from a multidisciplinary scientific perspective

CG10 Ability to function in contexts where there is little information for the purpose of investigating legal problems

DESCRIPTION OF CONTENTS: PROGRAMME
