DESCRIPCIÓN DE LAS MEDIDAS DE ADAPTACIÓN / DESCRIPTION OF ADAPTATION MEASURES

En caso de que no se necesiten medidas especiales, deberá indicarse expresamente en esta adenda y subirla al apartado correspondiente. Ejemplo: "NO HAY MEDIDAS ESPECIALES DIFERENTES DE LAS CONTEMPLADAS EN LA FICHA REINA DE ESTA ASIGNATURA"/ If no special measures are required, this should be expressly indicated in this addendum and uploaded to the corresponding section. Example: "THERE ARE NO SPECIAL MEASURES DIFFERENT FROM THOSE CONTEMPLATED IN THE REGULAR REINA PROGRAM"

En este apartado deben anticiparse las medidas de adaptación que se pondrían en práctica en un eventual escenario de nueva emergencia sanitaria, en lo que difieran de lo previsto en la ficha REINA para el modelo docente regular de este curso. In this section, you will include the adaptation measures required by a scenario of a new health emergency, if they differ from the regular teaching model of this course.

Se detallarán todos los aspectos que se modifiquen en esta situación. En particular, las actividades docentes y metodologías empleadas (grabaciones de clases, mayor utilización de foros, chats, realización de tutorías, exposiciones en aulas virtuales, realización de trabajos, etc.), así como lo relacionado con el proceso de evaluación (cambio en el tipo de evaluación final empleado, en su caso entrega de trabajo, examen tipo test, prueba oral, etc.) All the aspects that are modified in this situation will be detailed. In particular, teaching activities and methodologies used (class recordings, greater use of forums, chats, tutoring, exhibitions in virtual classrooms, work, and like) as well as related to the evaluation process (change in the type of final evaluation used, if applicable, essays, test-type exam, oral test, etc.)

Most of the teaching will be in face-to-face modality except some activities that will be in interactive modality such as visits to the labs, some physical labs, etc. In the case that face-to-face teaching will be not possible due the lockdown or students/professor infection the classes will be scheduled in remote modality through BlackBoard Collaborate platform.

Regarding the exams, the evaluation will perform through assigned studies in specific topics with remote presentation and face-to-face or remote tests.

In case teaching is full taught in the synchronous and interactive online modality through Blackboard Collaborate, there are no special measures different from those contemplated in the regular REINA program. The only measure will be that practices and visits will be done in a synchronous and interactive online modality using Blackboard Collaborate instead of doing it face-to face in the laboratory.
