

**ADENDA A LA GUÍA DOCENTE 2020/21- ADDENDUM TO THE 2020/21 COURSE DESCRIPTION  
MEDIDAS ESPECIALES PARA EL ESCENARIO DE NUEVA EMERGENCIA SANITARIA/  
SPECIAL MEASURES FOR A NEW HEALTH EMERGENCY SCENARIO**

**Asignatura/Course:** Matemáticas/Mathematics

**Cuatrimestre/Term:** 1

**Código/Code:** 17873

**Titulación/Degree:** Máster Universitario en Análisis Económico

**Coordinador/a Coordinator:** Juan Pablo Rincón Zapatero

**Fecha de Actualización/ Update:**

**DESCRIPCIÓN DE LAS MEDIDAS DE ADAPTACIÓN / DESCRIPTION OF ADAPTATION MEASURES**

In case of a new health emergency scenario, teaching will be **full taught in the synchronous and interactive online modality** through Blackboard Collaborate, Aula Global (Moodle), and Google Hangouts Meet.

**Activities employed:**

- Recording of the classes
- Online videos
- Class Material will be uploaded to Aula Global
- Students hand in exercises via Aula Global
- Online office hours via Google Hangouts Meet
- Online exams
- Different time zones are considered for the benefit of international students
- Online books and materials

**Adaptation of teaching activities and time schedule:**

The online classes are carried out by means of Blackboard Collaborate during the time officially scheduled by the University. These classes are taped (with the consent of the students attending the classes) and are available for all students, especially international students residing in other time zones. The online classes make use of slides and the blackboard of the platform. All the class materials and the recordings are shared via Aula Global and the web page of the course.

**Assessment system:**

- Students hand in tasks and exercises via Aula Global and/or other electronic means
- Online exams
- **Continuous evaluation:** 40% (20% homework + 20% midterm exam)
- **Final Exam:** 60%
