

Course: Análisis Económico del Derecho (Law and Economics)									
Degree in Economics							Year: 4º	Semester: 1º	
Course Planning									
Week	Session	Description	Group			Weekly Student Work			
			Lecture	Recitation	Room	Description	Lecture Hours	Homework	
1	1	Lecture 1: Theory	x		7.02.06		2	Readings for Lecture 1: 1H	
		Documentary and debate. Drawing conclusions; group debate; summary of conclusions uploaded to the course's web				Students lead the debate. Conclusions are obtained with the instructor's guidance		Propose solutions to test questions: 1H	
1	2	Exercises Test (group discussion and solution: students provide solutions verified by the instructor)	x		7.02.06	Solutions to multiple choice questions and debated in classroom	2		
2	3	Lecture 2: Theory	x		7.02.06		2	Readings for Lecture 2: 1H	
2	4	Exercises Test (group discussion and solution: students provide solutions verified by the instructor)	x		7.02.06	Answers to questions. Solutions to multiple choice questions and debated in classroom	2	1	
3	5	Documentary and debate. Drawing conclusions; group debate; summary of conclusions uploaded to the course's web	x		7.02.06	Students lead the debate. Conclusions are obtained with the instructor's guidance	2		
3	6	Lecture 3: Theory	x		7.02.06		2	Readings for Lecture 3: 1H	
4	7	Exercises Test (group discussion and solution: students provide solutions verified by the instructor)	x		7.02.06	Answers to questions. Solutions to multiple choice questions and debated in classroom	2	1	

4	8	Lecture 3: Numerical exercises on the different types of compensations of contract defaults					2	1
5	9	Lecture 4: Theory	x		7.02.06		2	Readings for Lecture 4: 1H
		Exercises Test (group discussion and solution: students provide solutions verified by the instructor)				Answers to questions Solutions to multiple choice questions and debated in classroom		
5	10		x		7.02.06		2	1
6	11	Lecture 4: Numerical exercises on the social benefits of accidents					2	1
6	12	Documentary and debate. Drawing conclusions; group debate; summary of conclusions uploaded to the course's web	x		7.02.06	Students lead the debate. Conclusions are obtained with the instructor's guidance	2	
7	13	Student Groups' Report on Theme of Choice: First Presentation	x		7.02.06	The authors of the report answer the questions of the students and the instructor	2	Organize the group's work: data search, references, preparing documents and presentation, etc.
7	14	Lecture 5: Theory	x		7.02.06		2	Readings for Lecture 5: 1H
8	15	Exercises Test (group discussion and solution: students provide solutions verified by the instructor)	x		7.02.06	Answers to questions Solutions to multiple choice questions and debated in classroom	2	1
8	16	Documentary and debate. Drawing conclusions; group debate; summary of conclusions uploaded to the course's web	x		7.02.06	Students lead the debate. Conclusions are obtained with the instructor's guidance	2	
9	17	Lecture 6: Theory	x		7.02.06		2	Readings for Lecture 6: 1H
9	18	Exercises Test (group discussion and solution: students provide solutions verified by the instructor)	x		7.02.06	Answers to questions Solutions to multiple choice questions and debated in	2	1

					classroom		
10	19	Documentary and debate. Drawing conclusions; group debate; summary of conclusions uploaded to the course's web	x		7.02.06	Students lead the debate. Conclusions are obtained with the instructor's guidance	2
10	20	Lecture 7: Theory	x		7.02.06		2
							Readings for Lecture 7: 1H
11	21	Exercises Test (group discussion and solution: students provide solutions verified by the instructor)	x		7.02.06	Answers to questions Solutions to multiple choice questions and debated in classroom	2
							1
11	22	Student Groups' Report on Theme of Choice: First Presentation	x		7.02.06	The authors of the report answer the questions of the students and the instructor	2
							Organize the group's work: data search, references, preparing documents and presentation, etc.
12	23	Student Groups' Report on Theme of Choice: Second Presentation	x		7.02.06	The authors of the report answer the questions of the students and the instructor	2
							Organize the group's work: data search, references, preparing documents and presentation, etc.
12	24	Student Groups' Report on Theme of Choice: Third Presentation	x		7.02.06	The authors of the report answer the questions of the students and the instructor	2
							Organize the group's work: data search, references, preparing documents and presentation, etc.
13	25	Student Groups' Report on Theme of Choice: Fourth Presentation	x		7.02.06	The authors of the report answer the questions of the students and the instructor	2
							Organize the group's work: data search, references, preparing documents and presentation, etc.
13	26	Student Groups' Report on Theme of Choice: Fifth Presentation	x		7.02.06	The authors of the report answer the questions of the students and the instructor	2
							Organize the group's work: data search, references, preparing documents and presentation, etc.

14	27	Student Groups' Report on Theme of Choice: Sixth Presentation	x		7.02.06	The authors of the report answer the questions of the students and the instructor	2	Organize the group's work: data search, references, preparing documents and presentation, etc.
14	28	Student Groups' Report on Theme of Choice: Seventh Presentation	x		7.02.06	The authors of the report answer the questions of the students and the instructor	2	Organize the group's work: data search, references, preparing documents and presentation, etc.
SUBTOTAL							56	46
15		Office Hours. Evaluation of students' presentations					2	
16-18		Time for study and evaluation					4	42
TOTAL								150
