

COURSE: Demography		
DEGREES: International Studies International Studies and Business Administration International Studies and Political Science International Studies and Law International Studies and Economics	YEAR: 3	TERM: 2

WEEKLY PLANNING								
WEEK	SESSION	DESCRIPTION	GROUPS (mark X)		Special room for session (computer classroom, audio-visual classroom...)	WEEKLY PROGRAMMING FOR STUDENT		
			LECTURES	SEMINARS		DESCRIPTION	CLASS HOURS	HOMEWORK HOURS (Max. 7h week)
1	1	Introduction to Demography	X			What is Demography? Societal determinants and consequences of demographic change	1,5	4
1	2	Introduction to Demography		X		Discussion of questions	1,5	
2	3	Global Population Trends	X			Past, present and future population trends and global distribution	1,5	4
2	4	Global Population Trends		X		Discussion of questions and presentation of article related to the topic	1,5	
3	5	Demographic Theories	X			Premodern doctrines, Malthus, the Demographic Transition theory	1,5	4

3	6	Demographic Theories		X		Discussion of questions and presentation of article related to the topic	1,5	
4	7	Demographic Data and Methods	X			Collection of demographic data, methods and caveats	1,5	
4	8	Demographic Data and Methods		X		Discussion of questions and presentation of article related to the topic	1,5	4
5	9	The Health and Mortality Transition	X			Mortality trends of the past, present and future; measures of mortality	1,5	
5	10	The Health and Mortality Transition		X		Correction of individual assignment 1. Discussion of questions and presentation of article related to the topic	1,5	4
6	11	The Fertility Transition	X			Fertility trends of the past, present and future; measures of fertility	1,5	
6	12	The Fertility Transition		X		Discussion of questions and presentation of article related to the topic	1,5	4
7	13	The Migration Transition	X			Migration trends of the past, present and future; measures of migration	1,5	
7	14	The Migration Transition		X		Discussion of questions and presentation of article related to the topic	1,5	4
8	15	The Age Transition	X			Changes in the age structure of the population and worldwide differences; challenges of ageing and opportunities of demographic dividend	1,5	
8	16	The Age Transition		X		Correction of individual assignment 2. Discussion of questions and presentation of article related to the topic	1,5	4
9	17	The Urban Transition	X			Urbanization in the past, present and future: challenges and opportunities	1,5	
9	18	The Urban Transition		X		Discussion of questions and presentation of article related to the topic	1,5	4
10	19	The Family and Household Transition	X			The changing household structure: marriage and divorce patterns, alternative living arrangements, etc.	1,5	
10	20	The Family and Household Transition		X		Discussion of questions and presentation of article related to the topic	1,5	4
